Subject: Authorization letter MultiSystem Integration

Dear Madam or Sir,

GHM Messtechnik GmbH is a German manufacturer of

- Industrial electronics
- Laboratory measurement instruments
- Process measurement instrumentation
- Industrial measurement
- Customized products

GHM is one of the leading medium-sized companies in this field with an excellent market position based on innovative ideas and competitive products.

We serve several markets, such as environmental industry, energy plants, machine building, food and pharmacy, petrochemical applications as well as laboratories and test benches.

Our products are designed according to international standards as DIN, ANSI, etc. and are adapted to the target applications with the necessary certificates, such as SIL, ATEX, TÜV and other.
